5 Days- ages 3, 4 & 5.....\$440

We use the child's age by December 1st as a guideline for class placement.

We invite children aged 2 to 5 to embark on their first learning adventures with us!

About Us

Playschool's curriculum is theme based to help connect young children's experiences to their learning. We emphasize developing both social and academic skills. The program takes a playful approach to teaching with activities that encourage sensory, fine and gross motor development, reading readiness, music, and movement.

What makes Playschool stand out?

Small Class Sizes

Our small class sizes enable our teachers to customize their instruction to meet each child's academic and social skill needs. To ensure an optimal learning environment, classes are capped at a maximum of ten students (eight in our "First Play" class), maintaining appropriate student-teacher ratios for each age group.

Engaging Learning

Each activity at Playschool is designed to be both engaging and purposeful, to promote cognitive and social development. We provide ample time for play balanced with age appropriate whole group and individualized instruction.

Family Oriented

Our school places a strong emphasis on community engagement and creating meaningful connections between home and school. We offer a range of activities throughout the year to encourage family participation, including Rally Day, Trunk-or-Treating, Craft Night, Field Trips, and a Christmas Concert.

Our School

Our program is dedicated to promoting independence, group interaction, and personal responsibility. We provide a nurturing and welcoming Christian environment where children learn to respect themselves, and others, as well as the toys and materials they engage with. Playschool Preschool is a ministry of First Baptist of Manlius.
